All applications received after said date which fail to contain this information will be refused.

The restriction upon the importation of hides and skins has been modified by the War Trade Board in a new ruling to permit the importation of hides and skins from Nicaragua under certain conditions enumerated below.

Before hide and skins are licensed may be shipped, priority must be given to duly licensed shipments of the following commodities in the order named: coconut shells, cocoanut, cohune nuts, rubber, mahogany, cedar, coffee, cacao, dried wood, copra, and bananas.

Licensed shipments of hides and skins from Nicaragua may therefore be moved only after available licensed shipments of the above commodities have received cargo space.
